General Post Office, Cape Town,
6th January, 1868.

NO satisfactory Tenders having been received for the conveyance of the above Mails, it is hereby notified that Tenders will be received by the Honourable the Auditor-General until 12 o'clock noon on Monday, the 27th instant, for the conveyance of the Mails between Graham's Town and Port Alfred (Kowie West), *viâ* Bathurst, by Passenger Cart or on Horseback, once a week each way in 6 hours. The Mail to leave Graham's Town on Saturdays upon the arrival of the Cape Town Post, and to return from Port Alfred on Monday or Tuesday, at 9 a.m., day to be specified by Tenderer.

The Contracts are to commence on the 15th February, 1868, and to terminate on the 31st December, 1870; but either Party to be at liberty to terminate the Contract upon giving four months' notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office, or that of the respective Civil Commissioners and Postmasters.

The Tenders must include all intermediate Post Offices between Stations *already established or to be established on the above route.*

It is desired that the Tenderers should state by what particular route they will engage to carry the Mails, the number of relays of Horses to be used, and the Stations at which they will be kept; as, also, at what price they will engage to convey extra Posts or Expresses on Horseback on the Post Line for which they tender.

Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office*, duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as, also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor will be required to provide his own means of conveyance for crossing rivers, without detention; and all penalties for delay, from whatever cause arising, will be rigidly exacted. Any party tendering is required to specify in his Tender the means to be adopted by him for crossing or avoiding such rivers, either by applying some contrivance, or leaving the usual line, and also the delay, if any, to be allowed on such occasions. (No delay, however, can be allowed on the Main Line between Cape Town and Graham's Town.

The Tenderers are required to convey the Mails in covered Carts on springs, conveyed by not fewer than two horses each.

The Contractor's Carts are to be light, but strong, sufficiently large to contain the Mail Bags, and to be furnished with waterproof Wells, or Boxes, with strong Locks and Keys, to hold the Mail Packets, for enclosing and securing which it will be necessary for the Contractor to supply Waterproof Bags; or, failing these, the Cart is to be supplied with Tarpaulins, to be strapped over it and over any Mail Packets that may have to be secured to it, and which are to be lashed on with good stout *riems*. The Carts to be provided with two good Lamps, with strong Reflectors, which are to be kept lighted at night when travelling.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, or injury in transferring them from one Post Cart to another, on the line of road herein referred to, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers or Parcels in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded: *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.*

But the Contractor will not be allowed to carry, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office, nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn, to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d.
For every period not exceeding half an hour	0	2	6
" half an hour, and not exceeding one hour	0	7	6
" one hour, and not exceeding an hour and a half	0	15	0
" one hour and a half, and not exceeding two hours	1	5	0
" two hours, and not exceeding two hours and a half	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he see fit, to advertise for Tenders for a new Contract (without any reference to the clause for giving four months' notice for an earlier termination thereof (which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit to demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any Person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any Person in his service.

Should the said Contractor fail in the performance of his agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all Persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof; and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission, respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

Further information may be obtained on application at the Office of the Postmaster-General.

2. From the Profit and Loss Account it will be perceived that the Gross Profits of the year amount to £1,422 13s. 8d., and that the Interest on Fixed Deposits, Salary of the Cashier, and other unavoidable expenses, amount to £933 19s. 6d., leaving a Balance of £488 14s. 2d. as the Nett Profits on the year's transactions.

3. The sum of £2,104, arising from old Losses, having during the past year been deducted from the Capital, and it having been considered desirable to cleanse the Bank Books from all the old Outstanding Claims, the Directors caused the whole amount, £898 18s. to be written off, although the greater part, for which the Bank holds Securities, will certainly be realized. From having taken this step, the state of the affairs of this Institution does not, at first sight, seem so favourable as it really is, the Profit and Loss Account now only showing a Balance of £154 11s. 5d., instead of £1,052 13s. 5d., the actual Balance, which would otherwise have been at the disposal of the Shareholders.

4. Had it not been for the aversion to allowing the old Outstanding Claims to appear any longer, the Directors would have retained in the Books the aforenamed sum of £898 18s., of which, as beforementioned, the greater part will undoubtedly be recovered, and would, at this Meeting, have recommended the Shareholders to resolve that of the beforementioned Balance of £1,052 13s. 5d., the sum of £1,000 should be carried to Reserve Funds Account, and the remainder left on Profit and Loss Account.

5. Under existing circumstances, and after due consideration, the Directors are of opinion that for the benefit of the Bank, it is their duty to advise that no Dividend be declared this year, and that the Balance at the disposal of the Shareholders remain at Profit and Loss Account.

6. The Directors have great satisfaction in drawing the attention of the Shareholders to the pleasing facts that all the Losses, and, as above explained, even more than the actual Losses of the Bank, have now been written off; and that consequently all the Net Profits that may be made during the current year, with the past year's Balance of Profit and Loss Account, will be entirely at the disposal of the Shareholders; provided that no new Losses arise, which the Directors do not expect, as every possible prudence and caution will be used to prevent such contingencies.

7. The above circumstances must be highly gratifying and satisfactory to the Shareholders, and reflect great credit on this District, considering that about three years ago an opinion was prevalent that the Bank would never be in a position even to make up the heavy Losses incurred in former years. Fortunately, however, for the Bank, and for our District, such ideas have not been realized, as is fully proved by this Report and the Profit and Loss Account, which show that the Bank has not only been able to make up all the Losses, but has still the following Amounts over:—

1. Capital	£1,320	5	7
2. Balance of Profit and Loss Account	154	11	5
3. Dividends to be received from Insolvent Estates, at least	600	0	0
Together	£2,074	17	0

8. The prosperity and progress of our District during the past, and the favourable prospects of the present year, added to the certainty of the firm re-establishment and great improvement of the affairs of this useful and indispensable Institution, hold out the best hopes and warrant the expectation that the Directors will be enabled to have the pleasure of appearing before the Shareholders at the next Annual Meeting under more prosperous circumstances, and of submitting to them a more favourable and satisfactory Report than it was in their power to offer this day.

9. The Directors who retire by rotation are M. J. KUYS, Esq., M.D., and C. BECK, Esq.; and the retiring Auditors are L. W. GLAESER, Esq., M.D., and G. QUIN, Esq.; and as all these Gentlemen have, in terms of Section 22 of the Deed of Agreement, been duly nominated, the former as Directors, and the latter as Auditors, their election will be merely formal.

(Signed) M. KUYS, Chairman.

EQUITABLE MARINE ASSURANCE COMPANY.

Report of the Directors at the Thirty-seventh Half-yearly Meeting held at the Company's Office, Colonial Bank Buildings, Cape Town, on Wednesday, 15th January, 1868.

THE Directors, in accordance with the 21st Section of the Company's Trust Deed, have again the pleasure of laying before the Shareholders a Report and Statement of the Company's transactions for the half-year ending 31st December, 1867.

The Net Premiums received for the half-year amount to	£3,266	19	5
Interest on Loans	996	0	10
Making a total income of	£4,263	0	3

Being £680 15s. 1d. in excess of the previous half-year.

The Losses paid during the half-year amount to £1,648 1s. 9d, of which amount £1,195 was caused by the wreck of the French Schooner *Clemence Eugenie*, at Roderigues, in February last, and which was mentioned as an outstanding claim in last Report, leaving a sum of £453 1s. 9d. as the amount of loss falling under the past half-year.

The Net Profits on the half-year, after all deductions, amount to £936 7s. 7d., which, considering the dullness of trade, may be considered highly satisfactory.

The Directors have much pleasure in stating that the London Agency still continues to be carried on satisfactorily under the management of Mr. GEORGE GREIG; they also beg to inform the Shareholders that they have opened an Agency in Port Elizabeth, under the management of Messrs. WM. ANDERSON & Co., which has every appearance of turning out successful.

The Directors, as empowered by the 38th Section of the Trust Deed, now declare a Dividend of 12s. 6d. per Share, equal to 25 per cent. on paid-up Capital, payable on and after the 20th instant.

For any further information the Shareholders may require, the Directors refer them to the Statements and Balance Sheets now on the table for their inspection.

JAMES MURISON, Chairman.

MINUTES OF THE MEETING.

After the Advertisement in the *Government Gazette* of 31st December had been read by the Secretary, also Report and Balance Sheets,

It was proposed by S. SOLOMON, Esq., seconded by J. C. HOFMEYR, Esq., and carried: "That the Report now read be adopted and printed."

Moved by J. C. HOFMEYR, Esq., seconded by S. SOLOMON, Esq., and carried: "That the thanks of the Meeting are due to the Directors, Auditors, and Officers, for their able management of the affairs of the Company during the past half-year."

FRANCIS PORTER, Chairman of the Meeting.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any other Company of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies consigned on the continuance of fidelity.

Three-fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders, if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorised (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the kingdom.

Immediate Annuities payable during the whole of Life may be purchased on the following Scale:

Annuities granted at the undermentioned Agents for every £100 of Purchase Money.

Ages..	50	60	70
Annual	£7 17s. 6d.	£10 3s. 4d.	£16 4s. 1d.

Rapport van de Direkteuren op de Zeven-en-dertigste Halfjaarlijksche Vergadering, gehouden ten Kantore der Maatschappij, in het Gebouw der Koloniale Bank te Kaapstad, op Woensdag, 15 Januarij, 1868.

DE Direkteuren hebben andermaal het genoegen, om, overeenkomstig Artikel 21 van de Maatschappelijke Akte, den Aandeelhouders een Rapport en Staat van de werkzaamheden der Maatschappij over het halfjaar, geëindigd den 31sten December, 1867, voor te leggen.

De netto Premien, voor het halfjaar ontvangen, bedragen £3,266 19 5
Interest op Leeningen 996 0 10

Uitmakende een totaal inkomen van £4,263 0 3
Zijnde £680 0s. 3d. meer dan in het voorafgaande halfjaar.

De Verliezen, gedurende het halfjaar betaald, bedragen £1,648 1s. 9d., van welk bedrag £1,195 werd veroorzaakt door de schipbreuk van de Fransche Schoener *Clemence Eugenie*, te Roderigues, in Februarij laatstl., waven in het vorig Rapport melding werd gemaakt als een uitstaande vorderisg, blijvende er dus eene som van £453 1s. 9d. als bedrag van het verlies voor het laatste halfjaar.

De Zuivere Winst voor het halfjaar bedraagt na aftrek van al het verschuldigde £936 7s. 7d., hetwelk, de mogheid in den handel in aanmerking nemende, als hoogst bevredigend mag worden beschouwd.

Het is den Direkteuren hoogst aangenaam te kunnen melden, dat het Agentschap in Londen bij voortduring op bevredigende wijze wordt gedreven onder beleid van den Heer GEORGE CRAIG; zij hebben tevens de eer den Aandeelhouders te berigten dat zij te Port Elizabeth onder bestuur van de Heeren WM. ANDERSON & Co. een Agentschap hebben geopend, dat alle uitsigt aanbiedt van wel te zullen slagen.

De Direkteuren, daartoe gemagtigd bij Artikel 38 van de Maatschappelijke Akte, stellen nu een Dividend van een 12s. 6d. per Aandeel, gelijkstaande met 25 percent. op het gestorte Kapitaal, en betaalbaar van af den 28sten dezer.

Voor alle verdere inlichtingen, die de Aandeelhouders mogten verlangen, verwijzen de Direkteuren hen naar de Opgaven en de Balans-staten thans voor inzage ter tafel liggende.

JAMES MURISON, Voorzitter.

Worcester Handels Bank.

ZEVENTIENDE JAARLIJKSCHE RAPPORT.

BIJ het voorleggen van dit Rapport over de Zaken van de Bank hebben de Direkteuren het genoegen den Aandeelhouders geluk te wenschen met de gunstige uitkomsten der werkzaamheden van deze Inrigting gedurende het afgeloopen jaar, en om de volgende bijzonderheden ter hunner kennisse te brengen :—

1. Er zijn geene Verliezen hoeook genaamd geleden, en daar de Direkteuren vermeenen met de voorzorg en omzigtigheid te hebben gehandeld, verwachten zij geenerlei verlies op de Wissels onder Disconto of op andere nieuwe Zekerheden.

2. Uit de Rekening van Winst en Verlies zal worden opgemerkt, dat de Onzuivere Winsten van het jaar £1,422 13s. 8d. bedragen, en dat de Interest op Vaste Inlagen, Salaris van den Kassier en andere onvermijdelijke uitgaven, £933 19s. 6d. bedragen, blijvende er een saldo van £489 14s. 2d. als Netto Winst op de transaktien van het jaar.

3. Daar de Som van £2104 uit oude verliezen ontsproten, in dit jaar van het Kapitaal afgetrokken is, en het wenschelijk wordt geacht de Bankboeken te zuiveren van alle oude Uitstaande Vorderingen, hebben de Direkteuren het geheele bedrag, £898 18s. laten afschrijven, ofschoon het grootste gedeelte, waarvoor de Bank Securiteiten bezit, zeker zal inkomen. Door het nemen van dien stap schijnt de staat van Zaken dezer Instelling op het eerste gezigt niet zoo gunstig als die werkelijk is, omdat de Rekening van Winst en Verlies nu slechts een Saldo van £154 11s. 5d. aantoont in plaats van £1057 13s. 5d., het wezenlijke Saldo dat anders ter beschikking der Direkteuren zou gekomen zijn.

4. Ware er niet zoo grooten tegenzin uitgedrukt, om de oude Uitstaande Vorderingen langer te laten verschijnen, de Direkteuren zouden de vorengenoemde som van £898 18s, waarvan het grootere deel als vorengezegd ongetwijfeld zal inkomen op de Boeken hebben behouden, en zij zouden op deze Vergadering den Deelhebbers hebben aanbevolen te besluiten, om van het vorengenoemde Saldo van £1052 13s. 5d, de som van £1,000 over te brengen op Rekening van het Reservefonds en de rest op die van Winst en Verlies.

5. Onder de bestaande omstandigheden en na behoorlijke overweging zijn de Direkteuren van meening, dat het ten nutte der Bank, hun pligt is te adviseren, dit jaar geen Dividend vast te stellen en het voor de Aandeelhouders beschikbare Saldo op rekening van Winst en Verlies te plaatsen.

6. Het is met groote voldoening dat de Direkteuren de aandacht der Deelhebbers vestigen op de aangename feiten, dat al de Verliezen, en gelijk boven verklaard, zelfs meer nog dan de werkelijke Verliezen der Bank nu afgeschreven zijn, en dat gevolgelijk al de Netto Winsten, die in het loopende jaar mogen gemaakt worden, geheel ter beschikking van de Aandeelhouders zullen zijn, mits er geene nieuwe Verliezen ontstaan, die de Direkteuren echter niet verwachten, daar alle mogelijke voorzigtigheid en voorzorg zal worden aangewend, om zulke gebeurlijkheden te voorkomen.

7. De bovenstaande omstandigheden moeten hoogst verblijdend en bevredigend zijn voor de Direkteuren en dit Distrikt grootelijks tot eere strekken, als men in aanmerking neemt, dat drie jaren geleden de meening heerschende was, dat de Bank nooit in staat zou zijn om de zware verliezen in vorige jaren geleden te boven te komen. Gelukkig, echter, voor de Bank en voor het Distrikt, zijn zulke opinien thans niet verwezenlijkt, gelijk ten volle blijkt uit dit Rapport en uit de Rekening van Winst en Verlies, die aantoonnen dat de Bank niet alleen in staat is geweest, al de verliezen goed te maken, maar nog de volgende Bedragen over heeft:—

1. Kapitaal	£1,320	5	7
2. Saldo op Rekening van Winst en Verlies	154	11	5
3. Dividenden te ontvangen uit Insolvente Boedels, minstens	600	0	0
Te zamen	£2,074	17	0

8. De voorspoed in vooruitgang van ons Distrikt in het afgeloopen en de gunstige vooruitzigten van het tegenwoordige jaar, gevoegd bij de zekerheid der degelijke herstelling en groote verbetering der zaken van deze nuttige en onontbeerlijke Instelling, geven de beste hoop en waarborgen de verwachting dat den Direkteuren het genoegen zal bereid zijn, om in de volgende Jaarlijksche Vergadering onder voorspoediger omstandigheden voor de Direkteuren te verschijnen en hun een gunstiger en meer bevredigend Rapport voor te leggen, dan zij bij magte waren heden te doen.

9. De Direkteuren die bij beurtwisseling aftreden, zijn de Heeren M. J. KUIJS, M.D., en C. BECK, en de aftredende Auditeuren, de Heeren L. W. GLAESER, M.D., en G. QUIN; en daar al deze heeren, overeenkomstig Artikel 22 van de Akte van Overeenkomst, behoorlijk genomineerd zijn, de eersten als Direkteuren en de laatsten als Auditeuren, zal hunne verkiezing slechts voor den vorm geschieden.

(Get.) M. KUIJS, Voorzitter.

REGISTRATION OF LETTERS.

General Post Office, Cape Town,
27th January, 1868.

THE Public are again urgently cautioned against sending Coin, Bank Notes, or other Valuables in *unregistered* Letters.

Small remittances should be made by Money Orders, but where these are not procurable, and Coin has necessarily to be sent, it should be well secured, to prevent its falling out or chafing through the Envelope, instances of which are not rare, and occasion considerable trouble to the Department in ascertaining the rightful Owners.

Letters containing remittances not made by Money Order should be *invariably* registered.

The fee for registration on Letters transmitted within the Colony, or the United Kingdom, the Free State, and Natal is sixpence, upon each, without reference to weight. The fee upon Letters for Foreign Parts can be ascertained at the respective Post Offices.

Letters for the United Kingdom, containing Coin, posted without being registered, are *compulsorily registered*, and a *double* registration fee charged upon their delivery.

With a view to discourage the practice of sending Coin in Letters, the premium upon *inland* Money Orders has been reduced to threepence on amounts not exceeding one Sovereign, and upon those drawn on the United Kingdom to fourpence for each Half Sovereign or fraction of Half a Sovereign.

G. W. AITCHISON, Secretary.

N.B.—The respective Postmasters are requested to affix a copy of this Notice at their Office door or window.

HET Publiek wordt andermaal dringend gewaarschuwd tegen het verzenden van Muntspecie, Banknoten of andere Waarden, in *ongeregistreerde* Brieven.

De kosten voor registratie van Brieven, verzonden binnen de Kolonie of naar het Vereenigde Koningrijk, den Vrijstaat en Natal, is SIX-PENCE voor iederen Brief, onverschillig van welk gewigt.

LEGAL NOTICES.

In the Court of the Eastern Districts
of the Cape of Good Hope.

The Honourable PETRUS JOHANNES DENYSSEN, Esq., Senior Judge, and the Honourable JAMES COLEMAN FITZPATRICK, Esq., the Judges of the Court of the Eastern Districts of the Cape of Good Hope, do hereby make known:

THAT DANIEL SWIFT, formerly of Graham's Town, but now supposed to be in the territory of the Orange Free State, or elsewhere beyond the jurisdiction of this Court and the Courts of this Colony, having been summoned by Edict, by SARAH SWIFT (born GEES), his Wife, of Graham's Town, to appear, in person or by proxy, before this Honourable Court on the 12th day of January, 1868, at 10 o'clock in the forenoon, at Graham's Town, to show cause why the bonds of marriage heretofore and now still subsisting between him and the said SARAH SWIFT shall not, by order of this Court, be dissolved, by reason that the said DANIEL SWIFT did wrongfully, during their said marriage, at Graham's Town, to wit, the 8th day of July, 1866, commit adultery with a certain Hottentot woman, whose name is to the said SARAH SWIFT unknown; and further to show cause, if any, why she may not be declared at liberty, if so minded, to contract another marriage; and that this Honourable Court would further be pleased to grant to her such further or other relief as to it shall seem expedient in the premises, with costs; and further to proceed according to law, without the said DANIEL SWIFT, or any one on his behalf having appeared, in consequence whereof the said SARAH SWIFT, by her Advocate, requested the first default, with the profit thereof, and a second summons:

Wherefore we have granted to the said SARAH SWIFT, and it is hereby granted accordingly, the first default, with the profit thereof, and have further thought proper to summon, and do hereby summon, the said DANIEL SWIFT, for the second time, by Public Edict, to appear in the said Court of the Eastern Districts of the Cape of Good Hope, at Graham's Town, on Saturday, the 29th day of February, 1868, at 10 o'clock in the forenoon, to purge his first default, and further to hear such claim and conclusion as the said SARAH SWIFT shall think fit and proper to make.

Thus done and decreed in the Court of the Eastern Districts, at Graham's Town, this 21st day of January, in the year of our Lord, one thousand eight hundred and sixty-eight.

C. H. HUNTLEY,
Registrar of the Court of the Eastern Districts.

GRAAFF-REINET BANK.

REPORT submitted by the Directors at the Annual Meeting of Shareholders, held on the 20th January, 1868.

YOUR DIRECTORS have to report, that after the heavy losses sustained by the Bank, and the effects of the general depression of Business consequent upon the unexpected and large insolvencies which occurred during some years past, the affairs and business of the Bank are steadily improving.

The Net Profits made by the Bank during the year 1866 amounted, as shown at the last Annual Meeting, to £2,387 11s. 5d., which was nearly 12 per cent. on the paid-up Capital, and somewhat above 2 per cent. more than the Profits of the preceding year 1865.

It will be seen from the accounts now laid before the meeting that the gross amount of Discounts received during the past year, was £5,109 12 0

deducting from which the payments for Salaries, Stationery and Printing, as also Interest on Fixed Deposits, &c. 2,269 7 5

a clear balance of Profit is left of £2,840 4 7

being upwards of 14 per cent. on the paid-up Capital, and over 2 per cent. more than the Profits of the previous year, 1866.

At the end of the year 1866, the Bad and Doubtful Debts stood at £1,865 16 10

Of this amount it was resolved, at the Annual Meeting in 1867, to write off from the Net Profits 600 0 0

leaving the amount at £1,265 16 10

It was also resolved at that Meeting, that annually all the Profits beyond 8 per cent. should go to credit of this Doubtful Debt Account, until the whole should be cleared off.

The Directors accordingly proposed to appropriate the amount of Net Profits, £2,840 4s. 7d., of the past year as follows, viz.:—

A Dividend of 8 per cent. (being £1 per share) to Shareholders	£1,600 0 0
Remuneration due to Directors	142 10 0
to write off the Bad and Doubtful Debts...	1,097 14 7
	£2,840 4 7

The Bad and Doubful Debts, standing as beforementioned at £1,265 16s. 10d., would then be reduced to only £168 2s. 3d.

The Overdrawn Accounts, figuring in the statement at £15 4s. 2d., have since been settled in full by the Debtors.

The amount brought up under Overdue Bills (£1,282 7s. 6d.) is partly made up of Bills filed in Insolvent Estates still under administration, on which a loss may be expected; but the Directors have reason to believe that it will not be so much as to be seriously felt, and that at the end of the year the Bank will be able to write off all the Losses, and yet pay a higher dividend than 8 per cent., whilst still keeping the Reserve Fund untouched.

J. F. ZIERVOGEL, Chairman.

Proposed by J. J. MEINTJES, seconded by P. C. ROSS, and carried unanimously: "That the report be approved of and adopted."

Proposed by G. H. MAASDORP, seconded by Jos. NAUDE, and carried unanimously: "That the thanks of the Shareholders be given to the Chairman and Directors, and other Officers of the Bank, for the efficient and able manner in which they have conducted the Business of the Institution."

Messrs. J. C. NAUDE and J. BAUMANN were re-elected by ballot as Trustees and Directors.

A vote of thanks to the Chairman for his impartial conduct in the Chair terminated the proceedings.

DAT, aangezien DANIEL SWIFT, vroeger te Grahamstad, maar thans vermoedelijk woonachtig in het gebied van den Oranje Vrijstaat, of elders buiten de jurisdictie van dit Hof en van de Hoven dezer Kolonie, bij Edictale Citatie is gedagvaard door SARAH SWIFT, geboren GEES, van Grahamstad, om op den Twaalfden Januarij, 1868, 's voormiddags ten 10 ure, hetzij in persoon of bij gemagtigde te verschijnen, ten einde redenen op te geven, waarom de banden des huwelijks tot heden en nog bestaande tusschen hem en de gezegde SARAH SWIFT, zijne huisvrouw, niet op last van dit Hof behoort te worden ontbonden, om reden dat hij, de gezegde DANIEL SWIFT, gedurende het bestaan van zijn huwelijk wederregtelijk te Grahamstad, te weten op of omtrent den 8sten dag van Julij, 1866, overspel heeft bedreven met zekere Hottentotsche Vrouw, wier naam aan de gezegde SARAH SWIFT onbekend is; en verder om aan te toonen waarom zij niet zou mogen verklaard worden vrij te zijn om, desbegeerende, een ander huwelijk aan te gaan, en dat het dit Hof verder moge behagen haar zoodanig ander en verder verhaal toe te staan als aan hetzelve in deze dienstig zal voorkomen, met kosten, zonder dat de gezegde DANIEL SWIFT of iemand van zijnentwege verschenen is, tengevolge waarvan de gezegde SARAH SWIFT, bij monde van haren Advokaat, verzocht om de eerste niet-verschijning met den profijte van die en eene tweede dagvaarding.

Reden waarom het gezegde Hof aan de gezegde SARAH SWIFT heeft toegestaan en toestaat bij deze de eerste niet-verschijning met den profijte van dien, en verder heeft goedgevonden te dagvaarden voor de tweede maal den gezegden DANIEL SWIFT, om in persoon of bij gemagtigde te verschijnen voor dit Edel Achtbare Hof te Grahamstad, op den Negen-en-twintigsten Februarij, 1868, 's morgens ten 10 ure, ten einde zich te verantwoorden omtrent zijne eerste niet-verschijning, en zoodanige eischen en conclusien aan te hooren, als gezegde SARAH SWIFT zal dienstig en behoorlijk achten te maken.

Aldus gedaan en verleend, in het Hof van de Oostelijke Distrikten van de Kaap de Goede Hoop te Grahamstad, op heden den 21sten dag van Januarij, in het jaar onzes Heeren, 1868.

Graaff-Reinetsche Bank.

RAPPORT, ingediend door de Direkteuren op de Jaarlijksche Vergadering van Deelhebbers, gehouden op den 20sten Januarij, 1868.

UWE DIREKTEURen hebben te rapporteren dat na de zware verliezen door de Bank geleden en de uitwerkselen van de algemeene gedruktheid in Zaken, ten gevolge van de onverwachte en groote insolventien die gedurende de laatste jaren zijn voorgevallen, de zaken en werkzaamheden der Bank met gestadigen tred verbeteren.

De Netto Winsten, door de Bank gemaakt in het jaar 1866, bedroegen, gelijk werd aangetoond op de jongste Jaarlijksche Vergadering, £2 387 11s. 5d, hetwelk bijna 12 percent was op het gestorte Kapitaal en iets over de 2 percent meer dan de Winsten van het voorafgaande jaar 1865.

Uit de Rekeningen, thans voor de Vergadering gelegd, zal worden gezien dat het bruto bedrag aan Discontos, gedurende het afgeloopen jaar ontvangen, was £5,109 12 0
waarvan afgetrokken de betalingen van Salarissen, Schrijfbehoeften en Drukwerk, alsmede Interest op Vaste Inlagen, enz. 2,269 7 5

een zuiver Saldo van Winst overlaat van £2,840 4 7
zijnde omgeveer 14 percent van het gestorte Kapitaal en over de 2 percent meer dan de Winsten van het voorafgaande jaar 1866.

Aan het einde des jaars 1866 stonden de Slechte en Dubieuse Posten op £1,865 16 10
Van dit bedrag besloot men op de Jaarlijksche Vergadering af te schrijven van de zuivere Winsten 600 0 0

Blijvende er dus over een bedrag van £1,265 16 10

Ook werd op die Vergadering besloten, dat jaarlijks alle Winsten boven de 8 percent op het Credit zullen worden geplaatst van deze Rekening van Dubieuse Posten tot dat het geheele bedrag zal zijn afgedaan.

De Direkteuren stellen dien overeenkomstig voor het bedrag der Netto Winsten, £2,840 4s. 7d., van het afgeloopen jaar, aan te wenden als volgt, namelijk:

Een Dividend van 8 percent (zijnde £1 per Aandeel) aan Aandeelhouders ..	£1,600 0 0
Belooning aan Direkteuren	142 10 0
Af te schrijven van Slechte en Dubieuse Posten	1,097 14 7
	£2,840 4 7

De Rekening van Slechte en Dubieuse Posten, staande als bovenaan gemeld, op £1,265 16s. 10d., zou dan verminderd zijn tot £168 2s. 3d.

De Overgetrokken Rekeningen in den Staat uitgetrokken op £15 4s. 2d., zijn sedert ten volle door de Debiteuren aangezuiverd.

Het bedrag uitgetrokken als vervallen Wissels (£1,282 7s. 6d.) bestaat gedeeltelijk uit Wissels in Insolvente Boedels, thans nog onder administratie ingediend, en waarop eenig verlies te wachten is; maar de Direkteuren reden hebben om te gelooven dat het niet zoo veel zal zijn, dat het ernstig zal worden gevoeld, en verder, dat aan het einde des jaars de Bank in staat zal zijn al de verliezen af te schrijven en toch een hooger Dividend dan 8 percent uit te betalen, terwijl evenwel het Reservefonds onaangeroerd blijft.

J. F. ZIERVOGEL, Voorzitter.

Voorgesteld door J. J. MEINTJES, gesekondeerd door P. C. Ross, en eenstemming aangenomen:—"Dat het Rapport wordt goedgekeurd en aangenomen."

Voorgesteld door G. H MAASDORP, gesekondeerd door JOS. NAUDE, en eenstemmig aangenomen:—"Dat de Aandeelhouders hunnen dank betuigen aan den Voorzitter en de Direkteuren en aan de andere Beambten der Bank voor de degelijke en bekwame wijze waarop zij de Aangelegenheden der Instelling hebben bestuurd."

De Heeren J. C. NAUDE en J. BAUMAN werden bij Ballot herkozen als Curatoren en Direkteuren.

Met eene dankbetuiging aan den Voorzitter voor zijne onpartijdige houding als zoodanig eindigden de handelingen der Vergadering.

J. F. ZIERVOGEL, Voorzitter.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life.

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders. if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

The Guarantee Policies of this Society are accepted by the Treasury, Poor Law Board, and other public departments, and by the leading London and Provincial Joint-Stock and Private Banks, the principal Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms throughout the kingdom.

TRADE NOTICES.

Proclamation by the Chief NICHOLAS WATERBOER and his Government.

WHEREAS the Boundaries of the Government and Territory of Griqualand West, whereof Captain NICHOLAS WATERBOER is Chief, as the same are defined, settled, and secured by Treaties with the British Government, and with the Chiefs MAHURAH and ADAM KOK, respectively, entered into prior to the year 1848, have been repeatedly published for general information and warning; but, notwithstanding thereof, the Government and numerous subjects of the Orange Free State, presuming on the weakness and peaceable disposition of the said Chief and Government, and in open disregard of the solemn protests and remonstrances by them from time to time made, have wrongfully, unjustly and oppressively persisted, and do still persist, in laying claim to and appropriating large and valuable tracts of the said Griqua Territory:

And whereas the said Griqua Chief and Government, influenced by an honest and anxious desire to accomplish an equitable, amicable, and final adjustment of *all* territorial disputes and differences *whatsoever* pending between them and the said Government of the Orange Free State, have repeatedly proposed and offered (as they now again propose and offer) to refer and submit all such disputes and differences to the arbitrament and final and undisputable decision of His Excellency Sir P. E. WODEHOUSE, K.C.B., Governor of Her Majesty's Colony of the Cape of Good Hope, High Commissioner, &c., &c. (or in the event of his speedy departure from South Africa, then to his successor in office), which proposition and offer the said Government of the Orange Free State, on various frivolous pretences and excuses, have hitherto studiously evaded: And whereas the said Griqua Chief and Government are in duty bound, in and as far as in them lies, to protect and maintain the rights, interests, and privileges of the people and nation under their rule: Now, therefore, it is hereby once more proclaimed and made known to all whom it may concern, that the Boundaries of Griqualand West, according to the respective Treaties hereinbefore referred to),—and which Boundaries have never been altered or modified by subsequent treaties, conventions, or mutual agreements or understandings, expressed or implied,—were republished by authority of the said Chief and Goverment on the 29th December, 1863, and are as follow:—

First.—The Boundary between the Territories of the Chief WATERBOER and the Orange Free State is a straight line from Ramah, on the Orange or Black River, northwards to David's Graf, near the confluence of the Modder and Riet Rivers; and from thence in a straight line to Platberg on the Vaal River, as defined in the Treaty between the Chiefs A. WATERBOER and A. KOK, dated 9th November, 1838.

Second.—The Boundary between Griqualand and the Chief MAHURAH is a line commencing at the northernmost point of the Langeberg, and extending easterly a little south of Nakoneng, and further on, cutting halfway between Maremani and Klipfontein, taking in Nelsfontein between Koning and Daniels Kuil; and from thence in a straight line to the north of Boetsaap, taking in Roelofsfontein, and on to Platberg aforesaid, as defined in the Treaty between the Chiefs A. WATERBOER and MAHURAH on the 22nd April, 1842.

Third.—The Southern Boundary is the same as the Northern Boundary of the Cape Colony, that is the Orange River from Ramah to Kheis, as defined in the Treaty between Sir B. D'URBAN and the Chief A. WATERBOER, dated 11th December, 1834.

Fourth.—The Western Boundary is a straight line from Kheis to the aforesaid northern point of Langeberg.

And whereas the Orange Free State Volksraad, in its Resolution dated 19th June, 1867, declares that all the lands to which Land Certificates were issued by the British Authorities during the time of British rule in the Orange River Sovereignty now belong to the said Orange Free State: And whereas it is commonly, though erroneously, believed in the Orange Free State that the articles of the Convention with Sir G. CLERK, dated 23rd February, 1854 guarantee such lands to the holders of such Certificates, such guarantee being neither contained in nor implied by the said document: And whereas many such Land Certificates are on the face of them declared to be provisional, thereby showing that the late Major WARDEN was, at the time of their issue, uncertain as to the locality of the lands thereby represented, and doubtful of his right so to alienate the said lands: And whereas the said Convention does not in any way describe or define the Boundaries of the said Orange Free State, or imply that the hereinbefore-mentioned Treaties have been in any degree invalidated, as indeed no such Convention could avail to invalidate them without the consent of the contracting parties therein: *Now, therefore*, it is further proclaimed and made known, that all Persons occupying, or claiming or pretending to the right to possess or occupy, land situated within the aforesaid Boundaries, whose titles and authority are not derived from the said Griqua Chief and Government, are but squatters and trespassers, and have no right to be regarded or treated as other than such; although the said Griqua Chief and Government are disposed to deal as leniently as the equity of each individual case will permit with the supposed rights, however dishonestly derived, of the present occupiers who may have purchased land in good faith from those who had no right to sell.

By command of the Chief WATERBOER,
DAVID ARNOT,
Griqua Representative in Albania.
